Whitek series

New

La nuova serie bianca con finitura opaca. Whitek 44 ha vinto l'European Product Design Award 2024 e il prestigioso Red Dot Award 2025, riconoscimenti internazionali che attestano l'innovazione e l'eccellenza nel design.

The new white series with matt finish. Whitek 44 has won the European Product Design Award 2024 and the prestigious Red Dot Award 2025, international awards attesting to innovation and excellence in design.

Simone Micheli ha realizzato una serie di placche touch con controlli sensibili al tocco che consentono agli utenti di regolare facilmente la luminosità e creare atmosfere personalizzate.

Simone Micheli created a series of touch-plates with touch-sensitive controls that allow users to easily adjust brightness and create personalised atmospheres.

Design non è solo estetica, ma progettazione e ottimizzazione della funzionalità di un oggetto. Ave disegna e realizza pensando sia all'estetica sia alle performance funzionali, quelle che vi semplificano la vita.

Design is not just aesthetics, but planning and optimization of the object functionality. Ave designs and creates thinking both of aesthetics and functional performances, those that make your life easier.

Smart Touch 44
